JIIT, Sector 62, Noida, UP, India

SUMMARY

Experienced and versatile professional with over 4 years of expertise as a Blender 3D artist, accomplished software developer, and skilled web developer. Proven track record in successfully managing and contributing to numerous projects. Possessing excellent communication and team management skills, I am a highly motivated individual driven by a passion for continuous learning. Currently serving as a dedicated mentor for Blender at the esteemed Game Development Hub, JIIT, Noida. Seeking opportunities to leverage my diverse skill set and contribute to innovative projects in a collaborative environment.
